## WHEN / WHERE WE MEET

### What We Do...

- Your child will have fun with others of the same age in a small group called a Den - where they will get to play games, learn lessons, see really cool things, and get to do activities outdoors
- Dens meet pretty much every week, at a time set by the Den Leader along with the parents, and these meetings last about an hour
- All of the age groups together make up the Pack - The Pack does large group activities such as camping trips and special events on a larger scale
- The Pack participates regional activities with other packs, giving your child the chance to grow through interacting with others, and playing and learning in an outdoor setting
- The Pack meets once a month at the Pack Meeting – These can be meals shared together along with skits performed by the Dens, or they can be a less formal day of activities – whatever the agenda, we always have fun!

Be sure to take a look at our Pack Calendar!
